In January 2020 the UK left the EU and on 31<sup>st</sup> December 2020 the transition period ended. Any EU citizens and their family members who want to remain in the UK must apply under the EU Settlement Scheme for either **Settled Status** or **Pre-Settled Status** before 30<sup>th</sup> June 2021.

It is important that all EU citizens and their family members apply before this deadline so they can live, work and study in the UK beyond that date.

We are pleased to have worked with Just Right Scotland and Citizens Advice Scotland to offer a free online webinar on the scheme. The webinar will feature inputs from the specialist staff about the EU Settlement, the processes, what is required and services available.

They will also respond to issues and questions that women may have.
